

Student Safety Checklist

A calm, practical guide for preparing for an official school event with respect, privacy and care for one another.

Before you send a partnership request

- ☐ I have read the student profile carefully and will write a respectful, pressure-free request.
- ☐ I understand that a classmate can decline or take time to respond, and I will respect that decision.
- ☐ I will keep messages focused on Dream Ball preparation and school-event planning.

Before a rehearsal or meeting

- ☐ We have agreed on a familiar, appropriate location and a clear time to meet.
- ☐ A parent, guardian or trusted adult knows the plan when appropriate.
- ☐ I know how I will arrive, return home and contact someone if plans change.

Privacy and digital respect

- ☐ I will not share another student's profile, photo or personal information without permission.
- ☐ I will not ask for information that is unrelated to the event or preparation.
- ☐ I will use the report tool or speak to a teacher if something feels uncomfortable or unsafe.

On the event day

- ☐ I know the event arrival time, venue and school contact information.
- ☐ I will follow event rules and help make every classmate feel welcome.
- ☐ I will check in with a trusted adult if I need support at any point.

Need support?

Use Dream Ball's report feature or speak with a trusted teacher, school counsellor, parent or guardian.
